Dear FCCLA Chapter Adviser,

Thank you for all that you do for your members and our organization. You play a critical role in the success of your school's chapter of Family, Career and Community Leaders of America (FCCLA) as well as your district's efforts and our state organization. Thank you for the leadership opportunities that you provide for your students and the enrichment that you enable for your school and community.

The FCCLA Chapter Handbook is intended to serve as a resource for you as you plan and work with your FCCLA Chapter Officers and members. Due to the nature of communications and our fast-paced society, please do not consider this document to be static; sections are updated on a regular basis and will contain the most up-to-date information possible.

In an effort to keep this handbook flexible, please note that no Table of Contents is provided, rather tabs are provided to help you navigate and find the information that you need. Also, some of the tab fronts include an explanation about the materials behind the tab. Sections are updated on a regular basis and will contain the most up-to-date information possible.

A special thanks to Judy Heath, Linda Motz, Miriam Chavies, Samantha Archer, Kathy Achziger, Malissa Sloan, and current and former state officers and many others for their contributions to the FCCLA Chapter Handbook. Thank you again for making Colorado FCCLA the Ultimate Leadership Experience!

Cheers,
