ADVISER REMINDERS

A required meeting for all advisers will be held on Wednesday, April 17 at 2 p.m. Advisers will receive last-minute instructions. Please be prompt.

Advisers are reminded that legal authority to enforce rules and control student behavior extends beyond the classroom to school-sponsored trips. Advisers stand in loco parentis (in place of parent) with respect to the student at school-sponsored functions.

A local chapter or school must provide a Local Adviser/sponsor to accompany FCCLA members attending district, state, regional, or national activities on a minimum **ratio of ten members to one adviser/sponsor**. Check with your school district policies – this may vary. **Adequate supervision is a must.**

Advisers are responsible for their students. Curfew is expected to be enforced and room checks are required.

Depending on school policy, advisers may request a signed consent slip from parents, and/or may need to complete additional school-required forms and paperwork for student travel. Completed paperwork and discussion of the guidelines and disciplinary actions with students indicate that advisers have planned adequately and acted in good faith.

A completed and signed **Code of Conduct Verification Statement and a Multiple Release Form** are required for each student attending State Conference. Forms are included in this packet. **These completed forms are required to be kept with Chapter Advisers at State Conference - do not send to State Office.**

Students violating Code of Conduct rules are subject to disciplinary action, including, but not limited to, competitive event disqualification, forfeiture of privileges to attend further events, confinement to hotel room, dismissal from the conference, and being sent home at their own expense.
