Dear Youth Expo Exhibitors:

On behalf of Colorado Family, Career and Community Leaders of America (FCCLA), I would like to invite you to exhibit at our 2023 FCCLA State Leadership Conference in April with an expected 1,200 students and advisers will be in attendance. FCCLA will host a Youth Expo where exhibitors will host interactive booths for our members to interact with you in a positive meaningful way. The exhibitor's fee is \$100.00 for each conference booth, which includes the booth rental fee with a six foot table.

The expo is scheduled for Friday, April 7, 2023 from 9:00am-4:00pm. Our conference theme this year is "Into the Wild" encouraging attendees to try something new and venture into the unknown as members for functional families, as financial consumers and empowered individuals. We are asking that booths have more than just information but have an interactive component that focuses around careers and postsecondary plans, which one of our program components for FCCLA. I encourage you to complete the Exhibit Form and return it with payment b April 1, 2023.

I look forward to hearing from you regarding your participation in the 2023 Colorado FCCLA State Leadership Conference. Please feel free to e-mail or contact me at if you have any questions. I thank you for your support of Colorado FCCLA and for helping us uphold our mission to promote personal growth and leadership development through Family and Consumer Sciences Education.

Sincerely,

Sadie Lynch

President

Colorado FCCLA
